## Daughters of the King Ladies Brunch

The annual Daughters of the King Ladies Brunch was a fantastic success this year! After not hosting the event for two years, it was great to meet in person and return to a sense of normality.

This year's event was held at the beautiful Crestview Country Club ballroom. The venue offered a large room that easily fit the almost 200 attendees, not to mention the vast array of silent auction items. The view overlooking their immaculate golf course was breathtaking. The food was delicious and their staff did an excellent job serving everyone in attendance!

Our keynote speaker, Sara Forhertz, brought an amazing message of hope to the attendees and our girls. Even after flying in from Kenya only the day before, she brought energy and passion to her talk.

The Carpenter Place Girls did a magnificent job singing "He Knows My Name" and "I Can't Help Falling In Love With You." The first song featured each girl. House Mom, Kayti Allen worked tirelessly with the girls for months to have them ready for their performance. It was beautiful and really showcased the talent we have at Carpenter Place!

Director of Campus Life, Jennifer Campbell, spoke about her role at Carpenter Place. We are thankful for Jennifer and her help as liaison between the girls, their families, and the therapist that provides assistance and resources to everyone involved.

We had amazing volunteers who helped check-in and assist the attendees. Rachel DeCoursey, Rose Shady, Teresa Worman, and Miss Wichita Latina, Michele Valadez gave up their Saturday morning and joyfully helped where needed.

I am thankful to everyone who attended, donated items for the silent auction, and bid on our silent auction items. This event would not have been such a great success without you! I'm looking forward to next year and hope you can join us again!
